The motorsport event policy we have provides liability coverage for organizers and participants. It also provides limited participant Accident, Death and Dismemberment coverage. OF4WD insurance is not a substitute for getting your own vehicle insurance. Your standard auto policy (Pink Slip) is required to operate a plated, street-legal vehicle. OF4WD insurance is a supplemental liability policy targeted for "events". It is NOT sufficient for the operation of a street-legal motorized vehicle. If your vehicle is not street-legal, it must be licensed as either a home-built vehicle or an all-terrain vehicle depending on size (see the Off-Road Vehicles Act). In either of those licensing options, insurance must be held accordingly. OF4WD insurance is NOT applicable for this purpose. There are significant fines for operation of a motorized vehicle without appropriate insurance.

However, if you are operating your "competition" vehicle only on private land at events organized by OF4WD or one of its member clubs then you do have liability coverage for the event, assuming adequate precautions are taken and procedures listed below are followed. The OF4WD do not directly run any such events at this time.

Club responsibilities for ensuring OF4WD Membership list is up to date

Note: The OF4WD require this information for your protection

Ensure the club and all members are in good standing

We require the names, addresses and email addresses of all members. This information is for use by the OF4WD for insurance purposes only not passed on to any other individual or corporation (see OF4WD Privacy Policy). This information is collected so that the OF4WD has a list of those who are members in good standing. In the event of a claim, it is imperative that the OF4WD are able to show that any individual or incorporated club is a member in good standing before the incident occurred for which a claim has been filed.

For renewal processes please see www.of4wd.com

Adding Members to Your Club

Any club may add members at any time under the OF4WD insurance policy. The OF4WD requires notification as to the name(s) of the added individual(s) so that they may be entered into the membership database. This is done via the online process on the OF4WD website.

Adding Extra Insured Entities – e.g. Land owners:

If you have the permission of a land owner to use their property for trail runs the OF4WD may add them as a covered party to the insurance policy. The OF4WD requires the full contact information of all supplemental insured parties. Upon addition, an updated insurance binder will be provided to the club listing the additional insured.

Procedure that we require you to follow for events/trail runs :

Normal event/trail run notification

The OF4WD liability policy is designed to cover “events”. An “event” refers to any normal operations of a 4WD club, under the OF4WD, e.g. club meetings, trail runs and ‘show and shines’. OF4WD require clubs inform the OF4WD whenever they are organizing/participating in a trail run or any other event other than regular club social meetings. Please inform us via email to insurance@of4wd.com. Please include; “Event notification” in subject line. In the body of the email please state the club name, the location of the trail run/event, the date, and the number of people expected in this email. You will receive an automated response notifying you that your information has been received by the OF4WD. If you do not receive an automated response, please contact us.

Please do this as early as possible prior to an event so that there is less chance for omissions. Clubs may also provide a calendar of events, during the year if they have their events decided early in the season.

Notes:

- **Trail run events at pay per play sites or off road parks:** The insurance coverage provided by the facility may be unknown or unclear. We recommend you manage events in the same manner whether a fee is paid or not, i.e. submit the event details as mentioned above for Trail runs and get all volunteers and participants to sign the OF4WD insurance company provided waivers.
- **Planning an event on private land/venue (trail run, club display at a show etc.) :**
If you are planning an event on private land where the landowner may require that they be listed as named insured on our policy for the duration of the event. If you need this please contact us via email to insurance@of4wd.com. Please provide details of event (date, location, description, name and address of any party you wish to be added)

Clubs should provide the OF4WD with at least one (1) month advance notice of such a request to ensure sufficient time for the addition. The OF4WD requires the full contact information of all supplemental insured parties in order to comply with any request of this sort. Upon addition, an updated insurance binder will be provided to the club listing the additional insured.

On the day of the event/trail ride get everyone to sign the waiver form

To comply with the Insurance procedures provided to us by our broker, it is important you have participants and passengers at the event sign a waiver form.

Note: If you are holding a competitive event you have notified us about and we have cleared with insurance broker and you have a “restricted area”, **all people entering area need to have signed the waiver.**

Important :

1. Only use Insurance company provided forms
2. Keep the entire release form in view of signers at all times.
 - a. Don't fold forms over clipboard. This make sit more difficult for entrants to claim could not read it or were not permitted to read before signing.
3. Handle all releases with care
 - a. Make sure every release is signed and dated.
 - b. Don't fold them when filing. Use legal size folder.
 - c. Don't mark anything on the releases, make notes on releases, or highlight names.
4. Where possible, have the same people handle signing the waivers at all events
 - a. They will become more consistent in handling releases.
 - b. Make sure each completed sheet is signed and dated
5. Ensure that the person handling the waivers and getting the signatures makes sure people signing are appropriately advised they are signing a release and waiver of liability. "You are taking part in this event at your own risk. You accept total responsibility for anything that may happen to you".
6. Make sure everyone signs their own name only. No signing for other people.
 - a. Do not pass clipboards in to cars for signing.
7. Everyone should sign the waiver including the people running the event/leading the trail run.

Note: Please ensure you keep all signed waivers for a period of at least 3 years.

Additional notes:

The OF4WD requires that all members abide by the policies above for their own protection. Failure to do so puts the individual at unnecessary liability risk and jeopardizes their coverage under the policy held by the OF4WD.
